Reason for testing

Extension of the 2nd stage WVTA. Type of bodywork: SH

Used test equipment

| Item | Identification number (make and type) | Calibration papers available |
|------|--|------------------------------|
| | | yes/not checked |
| | | yes/not checked |
| | | yes/not checked |
| | | yes/not checked |
| | | yes/not checked |

Remarks

Type of bodywork: SH
Wheelchair accessible vehicle; a vehicle of category M₁ constructed or converted specifically so that they accommodate one or more persons seated in their wheelchairs when travelling on the road. Number of rear of rear passengers may need to be reduced when transporting a wheelchair passenger.
Stage 1 WVTA extension does not affect technical data of Stage 2.

Changes stage 2:

Variants/Versions added: see information document
Masses: updated with new & modified TVV's
Test results: updated with modified variants (new IP family)
List of approval & test report nrs. Revised
3rd row seats: material changed

Further see information document.

1. Test results

- 1.1. Verification if all separate Directive approvals are applicable to the appropriate standard in the relevant separate Directive (Annex V point 1a):

The separate Directive approvals are applicable to the appropriate standard in the relevant separate Directive.

- 1.2. Verification if the data contained in Part I of the vehicle information document are included in the information package and/or the approval certificates of the relevant separate Directive approvals (Annex V point 1b):

The data of Part I of the information document of the vehicle are included in the information packages and/or the approval certificates of the relevant separate Directives or in case the information is not included in the information package of any of the regulatory acts, it has been confirmed that the relevant part or characteristic conforms to the particulars in the information folder.

- 1.3. Verification if the vehicle(s) is/are built in accordance with the relevant data contained in the information package in respect of all separate Directive approvals for vehicle parts and systems and the installation of technical units. (Annex V point 1c and 1d).
